**These fundraising opportunities keep your ice rates down.
We feel very fortunate to host one of the last weekends before the
new Casino opens. This may be our last chance to earn the fund
raising fees for our club and synchro teams!
All of our volunteers will benefit from the event.**

If you dealt at our September 2011 or November 2011 event you are not required to attend training unless you want to brush up on your skills. MFSC will offer training on Monday, January 23rd 6:30 pm in the birthday room at the rink. We will meet and review how to deal Texas Hold'em. It is easy to learn and even easier to deal. Please fill out the information on the following page to sign up or send the information in an email to Deanna DiCola. We are asking you to please consider volunteering at least one shift or as many as possible.
